PartsWatch R60.1

	Sheet Label Printer	HP	P2055DN		Yes	
	Sheet Label Printer	Kyocera	4200		Yes	

PartsWatch prints invoices and statements (with overlays), reports, and purchase orders on plain paper using a Laser printer. Invoices and statements with plain text can be printed on multi-part forms with Dot Matrix/Impact printers. PWS provides partial support for all printer manufacturers but recommends any laser printer with built in network adapters.
